## CONDITIONS (continued)

- **Car parking:** One car bay is provided for accommodation and site guests. As parking is at a premium over our busy peak periods it is very disturbing to surrounding guests to have extra cars parked around their site. All extra cars and visitors cars are to be parked in the visitors car parking area or on the road verge. We apologise for this but we cannot cater for all extra cars and visitors.
- **Security:** You will need to be responsible for your possessions. Keep your valuables out of sight and ensure that your accommodation and cars are locked. Bikes, eskies and fishing gear are at a high risk of being stolen so we strongly recommend using bike locks, putting eskies out of sight and securing your fishing gear. Be security conscious and look after your possessions.
- **Boats, dinghies and trailers:** Depending on your site set up, boats, dinghies and trailers may be able to be parked on your site. If not, please see reception. Please remove valuables from boats and trailers. When going fishing early in the morning please keep the noise level down so as not to disturb guests still sleeping.
- **Fish cleaning:** **No** fish cleaning in accommodation or camp kitchen.
- **Lost property:** will be kept for a maximum of 14 days. Perishable items will be placed in the bin on departure by our cleaning staff.
- **Disposable nappies:** **DO NOT** flush nappies down the toilet. Wrap all nappies in a plastic bag and place in a bin.
- **Strict walking pace** speed limit at all times. Please keep an eye out for children walking, playing or cycling in the park. Be patient and courteous, as all our kids are precious.

- **Public telephone** is situated at the Kingston-on-Murray General Store (400m down the road, turn right out of the park).
- **Amenity blocks:** As cleaning up mishaps are not pleasant for our cleaners or ourselves we do ask that you accompany your children to the amenity blocks.

- **Chemical toilets:** Please **DO NOT** empty chemical toilets at the amenity block.
- **Parents and Guardians** you are responsible for your children's actions and behaviour at all times. Remember children do need constant supervision when playing, cycling or swimming. **We are never on holidays from family duties.**
- **Water:** As you are aware we are currently in the midst of a drought. Please be water conscious and keep length of showers to a minimum. Please ensure water taken from rain water tanks is not more than what you would need for the duration of your stay. As our rain water supply is limited, it would assist us greatly if you would bring your own drinking water or consider purchasing water from our shop.
- **Camp Kitchen** Please ensure that the camp kitchen is left in a neat and tidy manner and that all rubbish is put in the bin. All items in the fridge are to be labelled with your site number and departure date and will be disposed of if left after departure.
